 - Discussion on the use of table umbrellas
- 8) **Public Comment:** None
- 9) **Such Other Business:** None
- 10) **Adjournment:** 6:32 PM

Submitted for the Commission,
Glenn S. Pianka, Recording Secretary

Bozrah Farmers Market
Maples Farm Park Committee Report

December 4, 2022

ATTACHMENT
#1
PG 1/5

The Market had a great year in 2022! We had many new vendors and the market operated around construction of the pavilion, creating interest. We had 2 off season events this year in addition to the regular season Market.

- Mother's Day Market – May 7th
- Regular Season Market – July 8 through October 14th
- Holiday Market – November 19th

We were able to hire 2 part time parking people for the Market: Tanner Piscstelli who worked almost every night and Pam Contino who had some health conditions that only enabled her to work a handful of evenings. These parkers were very helpful in making sure the flow of traffic was working well and that the front lot was available for handicapped parking.

We had several volunteers at the Market this year in addition to Miria Gray. They were: Joshua Gray, Annie Chambers, Elizabeth McKee and Sonja Lynette.

Music returned to the Market for 2022! There were only a couple of occasions we didn't have music one was related to weather and the other the band was a no show.

The market grossed \$15,205.00 this year with \$492.06 in fees (3%), and netted 14,712.94.

Our Regular Season Markets did well. We changed up some themes and seemed to have better attendance during the normal fair times. Still during the hottest nights of the year attendance lagged. We are brainstorming about what we can do during the heat of summer to encourage attendance for the 2023 season.

Opening Night – Jeremiah Hazed
Tractor Night – Wild Gypsies (Cancelled)
Classic Car Night – The Pom
Wine and Wildflowers - Smith
Dog Days – Gilbert
Farm Night – Straub
Classic Car – Pom
Back to School - None
Food Truck Roundup – Atkins
Touch a Truck – Smith
Chocolate Night – Burgess
Classic Car Night – Pom
Harvest Festival – Gilbert
Fair Foods – Jeremiah Hazed
Tent or Treat – Ken Atkins

Mother's Day Market:

215

Despite the threat of bad weather, the Mother's Day Market was a success and the weather held off. We used the Homestead for a handful of vendors who indicated their products would be destroyed by rain, but it ultimately did not rain and they did poorly inside. The Market was well attended and the outside vendors reported doing extremely well.

Holiday Market:

For the Holiday Market we tried to be prepared for traffic like the 2021 Holiday Market, but while it was busy all day, we did not need overflow parking like we had needed the previous year. In addition to the Church Lot and the Rec Field, Seymour offered us the use of his property and we noted the commuter lot off of Route 2 as a location. We had a van driver go from site to site, but overflow parking was not well utilized. 2021 was a combination of beautiful weather 60+ degrees, the ability to get out and shop outside during COVID restrictions, and marketing. I do not believe we will have the same issues with traffic again, but we plan on making sure that overflow parking is well marketed in advance and marked on the day of to hopefully avoid this in the future. Vendors reported great sales and the Market was busy, but nowhere near what we had in 2021 which required the Fire Department to step in and assist. Tanner was also paid to make sure parking went smoothly in the back lot. We did not utilize the Homestead at all for vendors and instead the vendors were completely outside. We did have an issue with mud in front of the pavilion area where construction vehicles had eroded the grass, but had bales of hay at the field by 11:15 to cover the mud and the rest of the day went well.
