The **State of Connecticut Department of Veteran Affairs** is seeking to have a citizen of each town become a **Veterans' Service Contact Person (VSCP)**. You do not have to be a veteran for this important role. Contact Firstselectman@Bozrahct.org for a copy of the full announcement.

There is a part-time opening for a **Transfer Station Attendant**. Contact Firstselectman@Bozrahct.org to obtain a job description and application.

Residents who have **backyard chicken flocks** should be aware of **Avian Influenza** which has recently been found in one flock in Lebanon. If your birds exhibit unusual behavior or unexpectedly die, please contact Uncas Health District for a screening. One of the best safety practices is to keep the flock inside or confined to avoid exposure to migratory birds and their droppings which seems to be the predominant "spreader".

CAN & BOTTLE DRIVE - FMS 8th grade class is no longer collecting cans and bottles. A BIG thank you to everyone in the community that helped our recycle drive!!
