First Selectman's Corner

The new **street name signs** are being installed. The old street name signs are **available for purchase** for \$20 each payable to the Town of Bozrah. Street signs will be sold on a first come-first served basis. Send an email request to firstselectman@bozrahct.org.

The Town has received **\$534** as the first of two annual disbursements from the **“nip” bottle deposits** collected at their sale point. Bozrah only has one outlet so our share will be about this amount going forward. I proposed, and it was accepted by the Board of Selectmen, to deposit the funds in a restricted fund to be used for signage, collection tools, or anything associated with litter cleanup and the **Adopt-A-Road** program in general.

Stanton Hill Road will receive new cross culvert drainage piping and catch basins commencing on **Monday May 16 from 730AM-300PM daily for about three weeks** in preparation for regrind and resurfacing of the deteriorated roadway surface. There will be some-re-routing of traffic: Fitchville Road to the dig site on Stanton Hill will be available (which will move to four different locations along the road as the project progresses) and from Gilman Road to Stanton Hill Road Extension to Stanton Hill Road to get to the other side of the worksite(s). The open trenches will be covered by steel plates after each workday to allow for unimpeded evening/overnight travel along the roadway. Roadside mowing and street sweeping will be postponed to allow the full DPW crew to work on this project in order to coordinate with the paving crews schedule.

There is a part-time opening for a **Transfer Station Attendant**. Contact Firstselectman@Bozrahct.org to obtain a job description and application.
