## **FIRST SELECTMAN'S CORNER**

The former **Fitchville Auto Center**, lately known as **M&D Auto**, has been sold to Mike Liebig who owns T&M Motors in Montville. He anticipates operating a similar business there which will repair and sell automobiles and offer towing services. He will clean up the site and do some interior remodeling before formally opening sometime in late Spring of 2023. Welcome to Bozrah!!

I anticipate having a **Board of Selectmen Special Meeting** in early December to accept proposals once again from town residents for the application/disbursement of approximately \$400,000 of **American Rescue Plan** funds that the Town has recently received.

**Enhanced surveillance security** has been installed at the **Town Hall, Maples Farm Park** and the **Senior Center/Recreation Field** facilities. I will be able to view real time activities (24/7) from several access options at these sites, which will also be recorded and stored for a period.

We all are feeling the effect of the current economic challenge, but we must not forget those even less fortunate. The **Bozrah Food and Energy Assistance Program** c/o Bozrah Town Hall, 1 River Road is in full operation. You may donate in person or through the Bozrah Light and Power/ Groton Public Utilities Warm-Thy-Neighbor Program. Thank you, neighbors and friends!!

The Bozrah Town Hall offices will close at 1:00 P.M. on Wednesday, November 23, 2022 and will be closed Thursday and Friday, November 24<sup>th</sup> and 25<sup>th</sup> in observance of Thanksgiving.

There will not be a TWIB on Friday, November 25, 2022.
