

Bozrah Farmers Market Quarterly Report

10/20/20:

We held 14 Regular Season Markets in July-October 9. We opened the Regular Market as a Drive Through in July. For the month of July everyone drove through the market and nobody exited their vehicles. With numbers staying low in the state we opened it up to walkers on August 7th. Walkers had to abide by the following guidelines set by the Department of Agriculture:

 ALL people walking MUST wear masks.

If they are unable to wear a mask we ask that they continue to use the drive through.

 The drive through option will still be available for those at risk or those still wishing keep themselves quarantined.

 No dogs at the walk through, if they want to bring your dog it must be the drive through, this is a Department of Ag guideline.

 No congregating in groups. We also ask that they limit the number of family members attending the market together.

 The market is one way. They start at the beginning and loop back around to the beginning.

 They must maintain 6 feet from others at the market. There will be 6 foot markers near each table we ask that attendees wait respectfully away from those talking with the vendors as well as others waiting.

 The vendors help choosing products. They can point to what they want but we ask that they not touch until it is handed to them.

The attendees did an amazing job of following guidelines. I cancelled all of the music for the season EXCEPT the DJ for classic car nights. We had several very popular themes this year: Chocolate Night, Steampunk Night (We were featured in The Day), and Fair Foods Night. Those are new themes for this year and we will probably keep the themes for next year. We had record attendance on all three nights. The following is the rest of the market nights and themes.

We have the regular Holiday Market planned for November 21 from 11-3. Typically it is 10-2, but the majority of the vendors will have to be outside, so we moved the time to accommodate the warmest hours of the day.

We lost Jamison Lathrop last year on September 25, 2019. Jamison stepped up to help with the market during its transition of staffing, and volunteered almost weekly until his death. On September 25, 2020 we started a Scholarship Fund in his name that will be funded solely on donations. This scholarship will be for a Bozrah high school student who volunteers in the community with preference given to those joining the military or going into the mental health profession. The scholarship will be given during the 2021 Graduation Season. Application will be available through the Bozrah Farmers Market in March 2021 and the family (Parents and Brother) will help choose the candidate. As of 10/20 \$245.00 has been raised.

The last balance I had for the Market was the August 31 bank statement. We have \$24,762.26

We have taken in \$1,450.41 in market fees/donations since the last report August 10. They break down as follows:
